

PRODUCT SPECIFICATION

SANI-99™ 4 Sachet Multi-Pack

The SANI-99™ 4 Sachet Multi-Pack includes 4 x 6g sachets, each designed to make 1 litre of high-performance, medical-grade disinfectant when mixed with water—providing a total of 4 litres of powerful cleaning solution. Ideal for bulk use in professional, commercial, or household environments, this multipack is perfect for topping up your reusable "One Bottle for Life" sprayer or any standard 1L spray bottle. SANI-99™ is alcohol-free, chlorine-free, and fragrance-free—formulated to eliminate harmful pathogens while remaining safe for regular use around people, on surfaces, and in sensitive environments. It's a sustainable, cost-effective solution for maintaining consistent hygiene with confidence.

Material (Packaging)	Triple foil aluminium
Shelf life	4 Years from date of manufacture
Recyclable	No

STORAGE & USAGE INSTRUCTIONS

Store sachets in a cool, dry place away from sunlight, heat, and moisture. Keep sealed until use. The product remains stable for up to 4 years sealed and 6 months in solution. To use: Dissolve one sachet in 1 litre of water to create a powerful disinfectant solution. Apply the solution to surfaces, ensuring even coverage, and allow it to work for the recommended contact time to ensure effective pathogen elimination. Keep out of reach of children. Avoid direct contact with eyes and inhalation of powder. Do not mix with other chemicals. Dispose of unused solution and packaging responsibly. Refer to the MSDS for full safety and handling information.

PACKAGING DETAILS

Pack Dimensions (mm):

Height: 110mm

Length: 220mm

Packaging Material:

Recyclable: Yes – 100% Recyclable Paper
(Standard Envelope)

Weight: 40g

PRODUCT FEATURES

- ✓ Makes 5 Litres of Disinfectant – Includes 4 x 6g sachets, each producing 1 litre of powerful, medical-grade disinfectant when mixed with water.
- ✓ Kills 99.99995% of bacteria, viruses, and fungi – compliant with ECHA PT2, PT3, PT4 and certified to multiple EN standards
- ✓ Chlorine-free and alcohol-free, reducing occupational hazards and environmental impact.
- ✓ Halal & Kosher Certified – Suitable for use in environments where religious compliance is essential.
- ✓ Long Shelf Life – Sachets have a long shelf life, and once mixed, the solution remains effective for up to 6 months in a sealed container.
